- 5:00 Dinner at the Country Club

The YMCA operates several summer programs across the GLOW Region. The Y operates full-day summer recreational programs, traditional day camps and a preschool camps. In the past, we have awarded over 44% of the children who attend our summer programs with scholarships. The impact of our YMCA summer programming delivered by caring and certified staff is **PRICELESS** to these families. The memories will last a **lifetime** and for many children those memories will lead them to become summer counselors themselves. The financial assistance scholarship is the key ingredient needed for children in our area to participant in the YMCA Summer Programs.

Thank You
